

Holidays

Swallowtail Boatyard offers full week breaks from Saturday to Saturday. We aim to have your yacht available for collection from 14:00pm on the first day (assuming there has been no problems from its previous weeks hire) and we would ask that it is returned by 9:00am on the last day. There is of course some flexibility in these arrangements and we are happy to help you as much as possible with your holiday planning. Upon arrival, you will be given a full yacht handover – you will receive a detailed briefing as well as the opportunity to ask any questions that you might have.

We do offer a 10% discount for any second or more weeks booked throughout the season.

We are always pleased to receive a call to discuss which boat is most suitable for you and your group/family.
